

CARL PEACOCK	§	
v.	§	CIVIL ACTION NO. 9:08CV229
J.A.M. DISTRIBUTING, INC.	§	

The Report and Recommendation of the Magistrate Judge, which contains her findings, conclusions, and recommendation for the disposition of this case has been presented for consideration. The Report and Recommendation recommends that Plaintiff's "Motion to Reconsider" (document #36), construed as a motion for relief from judgment or order pursuant to Fed.R.Civ.P. 60(b), be denied. Plaintiff filed written objections to the Report and Recommendation on September 4, 2009.

Having made a *de novo* review of the written objections filed by Plaintiff, the Court finds that the findings and conclusions of the Magistrate Judge are correct and the objections are without merit. The Court, therefore, adopts the findings and conclusions of the Magistrate Judge as those of the Court. In light of the foregoing, it is

**ORDERED** that Plaintiff’s “Motion to Reconsider” (document #36), construed as a motion for relief from judgment or order pursuant to Fed.R.Civ.P. 60(b), is **DENIED**.

  
Thad Heartfield  
United States District Judge
